

Helping Families Thrive

January 14, 2011

Dear Friends:

A warm "hello" from your friends here at Focus on the Family, and many thanks for your generous donation to our family-oriented outreach. God bless you for standing with us.

It's Sanctity of Human Life month, and we want to take this opportunity to give you an exciting update on how the Lord has used our efforts to protect and preserve the lives of innocent preborn children. Last February an unsettled young woman, pregnant out of wedlock and seriously considering an abortion, happened to see the life-affirming ad Focus aired during the Super Bowl. "I felt drawn to reach out to you," she writes, "and I'm so glad I did. You did so much more than e-mail me back - you reminded me that God loves me and that help is available." The result? A beautiful baby girl who is now four months old. "Your ad and your thoughtful e-mail saved this baby's life," this mom concludes. "I have no doubt about that."

Thanks again for everything you've done to make triumphs like this possible. Grace, peace, and blessings to you.

Sincerely,

James D. Daly
President
