Dear Team of All Grace Outreach,

We are in receipt of your generous gift of \$11,899.71. We are so humbled that we have been chosen to receive your support, and that both our missions' heart beat is focused on sharing the Good News of Jesus Christ - saving lives here (the preborn) and for eternity!

In reviewing your mission of helping abused, abandoned, and distressed children and widows ("*Defend the poor and fatherless; do justice to the afflicted and needy.*" Psalms 82:3), the Lord used these words to encourage me in how much this applies to what we do through those He brings in to our centers. It confirms and brings joy that we are doing what God desires - *defending* and bringing *justice* (sharing truth and The Truth) to those walking in darkness and those that cannot defend themselves.

When we have put together our brochures, we will forward samples to you. Since our transition and new name we have much work to do to accomplish the tasks ahead.

It was wonderful meeting you, Tim, and the kids. Again I have to say - you have awesome kids!

Blessings on the ministry of All Grace Outreach, and all that participate. I know we and many others have certainly been blessed by what you're accomplishing for His kingdom.

Appreciatively,

Jennie Lee Arnold,  
Executive Director

P.S.: Your website video is wonderful!
